WELCOME BACK!!!

TUCKSHOP IS CLOSED UNTIL FURTHER NOTICE

PRINCIPALS PIECE

Welcome back as we prepare for an exciting 9 week term and a fast finish to the end of the 2016 school year.

We welcome Kathleen MacDonald as a permanent member of our staff, for the remainder of the year Kathleen will assume the role vacated when Ms Lloyd Jones (now Mrs Carroll) accepted the position of Acting Principal Prairie SS. Kathleen's husband Damien will also join us in a continuing part time casual I.T. / T.A. support role for three days per week, his knowledge and expertise will be invaluable especially with regards to our Distance Ed Students.

Samantha Davison will also be joining us for the first few weeks of this term (replacing Lyn who is on Long Service Leave for the whole of this term), whilst Tammy McClymont will then assume this role when she returns from leave during week 3. Adriana Hubner (4th Year JCU student) is completing her 4 week internship in preparation for her fulltime permanent placement at Hughenden SS next year whilst Ashley Mitchell (3rd Year QUT Student) will complete her practicum with Karlee Bowtell in the year 1/2/3 class. Sarah Tippett replaces Yvonne Edmondson who is on sick leave (although Yvonne will return to work sometime throughout term 4 on a graduated return to work program).

Our successful Parent / Student Learning Fair occurs tomorrow, we have an adjusted timetable for the day with a whole school sausage sizzle during the first break, this will be the only break for the day so students will be dismissed at 2.30pm. Mrs Jones has done a fantastic job of coordinating the organisation for this day and we look forward to your participation in joining your child as they explain their progress thus far. Invitations were posted last term whilst text message reminders have also been sent home.

Our successful Prep transition days continue this term commencing with a half day transition this Thursday, whilst year 6 and 7 students prepare for their upcoming camp to the Paluma Environmental Centre

The school has developed a number of very explicit policies and processes to do with our daily operations and work expectations and all staff are expected to follow these explicitly. Please ask if you would like to know more about our processes or expectations.

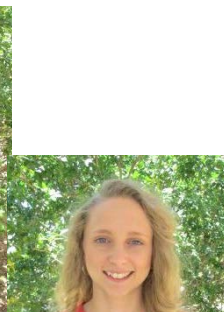

Please update us if your address and contact details have changed, this information is extremely important as we need to have the most up to date contact information on the chance that we may need to contact you throughout the day or in the unlikely event that there is an emergency.

During the term some staff may be participating in or attending various professional development activities, on or off site. These opportunities are important to ensure we build capacity to maximise learning outcomes for all students. Please feel free to ask us how professional development supports your child's learning.
